

Customize Interior Light-Dimming Time

12.3" Color Touch-Screen Models

This vehicle lets you customize how long the interior lights stay on after the doors are closed.

- 1 Make sure the power is ON and the transmission is in PARK.
- 2 Touch Home, and then touch Vehicle Settings.
- 3 Now select Lighting Setup.
- 4 Next, touch Interior Light Dimming Time.
- 5 Choose 60 sec, 30 sec or 15 sec.
- 6 When done, touch Home.

See your vehicle's Owner's Manual for even more details. You can download one at mygarage.honda.com.
