

Delete Paired Phones

12.3" Color Touch-Screen Models

When you sell or trade your vehicle, you'll want to delete the phones you've paired to *Bluetooth*® HandsFreeLink. Here's how.

- 1 Make sure the power is ON and the transmission is in PARK.
- 2 From the home screen, touch Phone.
- 3 Select Change Devices.
- 4 Select Go to Device List.
- 5 Select the phone you want to delete.
- 6 Select Delete Device.
- 7 Select Delete on the confirmation screen.

See your vehicle's Owner's Manual for even more details. You can download one at mygarage.honda.com.
