

Delete Paired Phones

7" Color Touch-Screen Models

When you sell or trade your vehicle, you'll want to delete the phones you've paired to *Bluetooth*® HandsFreeLink. Here's how.

- 1 Make sure the power is ON and the transmission is in PARK.
- 2 Press the PHONE button.
- 3 Select Settings.
- 4 Select Bluetooth Settings.
- 5 Select Delete Device.
- 6 Select the phone you want to delete.
- 7 Select Yes on the confirmation screen.
- 8 If Android Auto is connected, select Yes on that confirmation screen as well.

See your vehicle's Owner's Manual for even more details. You can download one at mygarage.honda.com.
