

Moonroof Controls

You can only operate the moonroof (available on select models) when the power mode is ON. Use the switch found in the overhead console to open and close the moonroof.

Follow these steps:

Automatic Operation:

- To open: Pull the switch back firmly
- To close: Push the switch forward firmly

Manual Operation

- To open: Pull the switch back lightly and hold it until the desired position is reached
- To close: Push the switch forward lightly and hold it until desired position is reached

Tilting the Moonroof Up

- To tilt: Push up on the center of the moonroof switch
- To close: Push the switch forward firmly, and then release
