These 2018 Accord models add significant value to their 2015 counterparts:

- In every category, the new Accord receives higher EPA fuel-economy ratings²
- 2018 Accord drivers enjoy greater responsiveness, thanks to more power and lighter weight
- The safety and driver-assistive features of Honda Sensing[®] help provide added confidence
- More room and a longer list of standard features make the latest Accord a more enjoyable ride

¹MSRP excluding tax, license, registration, destination charge and options. Dealers set own prices.

²Based on EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

2018 Accord vs. 2016 Accord: The value just keeps growing.
