PERSONALIZED SETTINGS WORKSHEET

Let's personalize your vehicle.
Your vehicle has many customized settings. Refer to your Owner's Guide or Owner's Manual to see them in more detail.

AUTO DOOR LOCK: When do the doors automatically lock? (All models)
- With Vehicle Speed
- Shift from Park
- OFF

AUTO DOOR UNLOCK: When do the doors automatically unlock? (All models)
- All Doors When Driver's Door Opens
- All Doors When Shifted to Park
- All Doors When Ignition Switched Off
- OFF

KEY AND REMOTE UNLOCK MODE SETTINGS: Which doors unlock on first push of the remote? (All models)
- Driver Door
- All Doors

REMOTE TRANSMITTER SETTINGS: Store a separate driver's seat setting into each of the two Remote Transmitters. The seat automatically adjusts when the vehicle is turned on. (EX, EX-L, Touring)
- Program Transmitter 1
- Program Transmitter 2

DOOR UNLOCK MODE: Changes which doors unlock when you grab the driver's door handle. (EX, EX-L, Touring)
- Driver Door Only
- All Doors

WALK AWAY AUTO LOCK®: Select whether the vehicle automatically locks when you walk away with the keyless access remote. (EX, EX-L, Touring)
- ON
- OFF

RADIO PRESETS: Show the customer how to store a station.
1. Use the TUNE, SEEK or SCAN function to tune to a desired station or channel.
2. Pick a preset number button (1-6 or 7-12, as appropriate).
3. Press and hold the button until you hear a beep.

Getting Started: Basic Features and Functions

**BLUETOOTH®HANDSFREELINK® AND VOICE COMMAND SYSTEM**

Wirelessly connects your compatible cell phone to the vehicle’s audio system, allowing for hands-free phone call operation. Turn on your phone’s Bluetooth and make sure it’s in discovery mode. The vehicle must be stopped during the entire pairing process.

**Color Audio Pairing (LX) – Press Phone Button**

1. Make sure the smart entry remote is not in the vehicle.
2. Walk at least 5 feet away.
3. Exit vehicle, close all doors and tailgate, then stay close and listen for the lights to flash which confirms the system is activated.

**Display Audio Pairing (EX, EX-L, Touring) – Press Settings, then Phone**

1. Search for “HandsFreeLink®” on your device. Enter the pairing code: 0000.
2. Search for “HandsFreeLink®” on your mobile phone. If requested by your phone, enter the pairing code: 0000.

**MEDIA DEVICE PORTS**

Allows connection of your compatible mobile device to your vehicle. Functions range from playing media, charging devices and connecting to available Apple CarPlay® or Android Auto™.

**WALK AWAY AUTO LOCK® (EX, EX-L, Touring)**

Automatically locks vehicle when you walk away while carrying the remote transmitter. Especially useful when your hands are full or if you accidentally forget to lock your vehicle.

**Follow the steps in the diagram:**
1. Exit vehicle, close all doors and tailgate, then stay close and listen for a beep indicating the system is activated.
2. Walk at least 5 feet away.
3. Listen for a beep and look for the lights to flash which confirms the doors are locked.

**POWER TAILGATE (EX-L, Touring): While carrying remote transmitter**

**Stop and Hold (to prevent from opening all the way):**
After starting opening sequence, simply stop the tailgate in the desired position by pressing the Remote Transmitter tailgate button. It will hold until closing sequence is started.

**Opening Height Setting (to set a desired opening height):**
As tailgate is opening, stop it near the desired height by pressing the Remote Transmitter tailgate button. It will hold until closing sequence is started.

**Hands-Free Access Power Tailgate** (Touring)
Use a forward and back kicking motion under the center of the rear bumper to open or close the power tailgate while carrying the remote transmitter.

**For best results:**
- Do not stand too close to the bumper (approximately 2 feet away) when performing the kicking motion.
- The kicking motion should be performed in a quick, fluid motion (approximately 1 second in duration). If you hold your foot under the bumper for too long, the power tailgate does not open or close.
- The sensor will not read a side-to-side swiping/waving motion.

A beep sounds and exterior lights flash after the kicking motion has been performed properly as confirmation that the hands-free access has been activated.

**Note:** You may experience interference due to proximity of mobile device

**Audio System Controls**

Your vehicle comes with one of two great-sounding audio systems.

**Color Audio (LX)**

- **Power Button/Volume**
- **Seek/Skip**
- **Day/Night Button**

**Display Audio (EX, EX-L, Touring)**

- **Power Button/Volume**
- **Seek/Skip**
- **Brightness**

**Functionality**

- Quick Charging
- Play Audio
- Android Auto™
- Apple CarPlay®

**Power Tailgate**

- Charging
- High-speed Charging Only

**Models with Display Audio**

- **Color Audio**
- **Display Audio**

**In the console compartment**

- **USB Ports**
- **Center Console**
- **Rear Passenger Area**
