

2021 Honda Civic Type R

FEATURES BY TRIM

Civic Type R Touring

ENGINEERING

- 2.0-liter, turbocharged and intercooled DOHC 4-cylinder VTEC® engine with direct injection
 - 306 horsepower @ 6500 rpm (SAE net)
 - 295 lb-ft of torque @ 2500-4500 rpm (SAE net)
- LEV3-ULEV125 CARB emissions ratings¹
- Drive-by-Wire throttle system
- 100K +/- Miles No Scheduled Tune-Ups²
- 6-speed manual transmission (6MT) with rev-match control
- Helical limited-slip differential
- Lightweight single-mass flywheel
- Electric parking brake with automatic brake hold
- Hill start assist
- 3-mode drive system (Comfort/Sport/+R)
- Water-cooled oil cooler
- Adaptive damper system
- Dual-axis MacPherson strut front suspension
- Multi-link rear suspension

- Track-tuned suspension
- Dual-pinion, variable-ratio electric power steering (EPS)
- Brembo® 4-piston aluminum front brake calipers
- 13.8-inch ventilated 2-piece front brake discs
- 20-inch alloy wheels
- P245/30 ZR20 maximum-performance summer tires³
- Tire Repair Kit (TRK) with 24-hour assistance

SAFETY

- Collision Mitigation Braking System™ (CMBS™)⁴
- Forward Collision Warning System (FCW)⁵
- Road Departure Mitigation System (RDM)⁶
- Lane Departure Warning System (LDW)⁷

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®)⁸ with traction control
- Brake Assist
- ABS with Electronic Brake Distribution (EBD)
- Advanced front airbags (i-SRS)
- SmartVent® front side airbags
- Side curtain airbags with rollover sensor
- Multi-angle rearview camera with guidelines⁹
- Tire Pressure Monitoring System (TPMS)¹⁰
- LED Daytime Running Lights (DRL)
- Driver's and front passenger's seat-belt reminder
- Lower Anchors and Tethers for Children (LATCH)

2021 Honda Civic Type R

FEATURES BY TRIM

Civic Type R Touring

FEATURES

- Adaptive Cruise Control (ACC)¹¹
- Lane Keeping Assist System (LKAS)¹²
- Auto high-beam headlights
- Red Honda "H" badges (front/rear)
- Type R badges (front/rear)
- Aluminum hood
- Fin-type roof-mounted antenna
- Body-colored, roof-mounted vortex generators
- Wing spoiler
- Center-mounted triple-outlet exhaust
- Underbody spoiler kit with red striping
- Heated, body-colored power side mirrors with integrated LED turn indicators
- LED headlights with auto-on/off (low and high beam)
- LED fog lights
- 7-inch Driver Information Interface (DII)
- Dual-zone automatic climate control

- Exclusively designed, high-bolstered sport seats with red/black suede-effect fabric and double red stitching
- Sport pedals
- Aluminum shift knob
- Type R serial-number plate
- Alcantara®-wrapped steering wheel¹³
- Bluetooth®¹⁴ HandsFreeLink®
- Bluetooth®¹⁴ streaming audio
- 7-inch Display Audio with high-resolution WVGA (800x480) electrostatic touch-screen and customizable feature settings
- HondaLink®¹⁵
- Apple CarPlay®¹⁶ integration
- Android Auto™¹⁷ integration
- 1.5-amp USB Smartphone/Audio Interface¹⁸
- 540-watt premium audio system with 12 speakers, including subwoofer
- SiriusXM® Radio¹⁹
- HD Radio™²⁰

- Honda Satellite-Linked Navigation System™²¹ with voice recognition and Honda HD Digital Traffic
- Honda LogR™ datalogger system²²

Civic Type R Limited Edition

ADDS TO OR UPGRADES TYPE R TOURING FEATURES

- Unique Phoenix Yellow exterior with black roof and black hood intake vent
- 20-inch BBS forged-alloy wheels
- P245/30 ZR20 Michelin Pilot Sport Cup 2 maximum-performance summer tires³
- Dark chrome badging
- Type R Limited Edition serial-number plate
- Heated, gloss black power side mirrors with integrated LED turn indicators

Disclaimers

1. Models are LEV3-ULEV125-rated in all 50 states.
2. Does not apply to fluid and filter changes. Will vary with driving conditions. Please see your Honda dealer for details.
3. The unique high-grip summer tires on this vehicle are not designed for winter driving. Suitable tires must be installed for driving on ice and snow. The tires have shallower tread grooves and wear much faster than ordinary passenger tires; tire life significantly less than 10,000 miles should be expected.
4. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
6. Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
7. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
8. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
9. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
10. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
11. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

14. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
15. Check the HondaLink® website for smartphone compatibility.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Android and Android Auto are trademarks of Google LLC.
18. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
19. SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. XM satellite service is available only to those at least 18 years and older in the 48 contiguous United States and D.C. ©2020 SiriusXM Radio Inc. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio Inc.
20. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
21. The Honda Satellite-Linked Navigation System™ is standard on Touring and Limited Edition models in the United States, Canada and Puerto Rico. (Honda HD Digital Traffic service only available in the United States, except Alaska). Please see your Honda dealer for details.
22. The LogR application should only be used on a closed course or racetrack. Not intended for use on public roads. Driver remains responsible for the safe operation of the vehicle.
