

CIVIC Si

ENGINEERING

- 1.5-liter, turbocharged and intercooled DOHC VTEC® 4-cylinder engine with direct injection plus intake and exhaust Variable Timing Control (VTC)
 - o 200 horsepower @ 6000 rpm (SAE net)
 - o 192 lb-ft of torque @ 1800-5000 rpm (SAE net)
- LEV3-ULEV50 CARB emissions ratings³⁵
- Drive-by-Wire throttle system
- 100+/- Miles No Scheduled Tune-Ups³⁹
- 6-speed manual transmission (6MT) with rev-match control
- Helical limited-slip differential
- Lightweight single-mass flywheel
- Electric parking brake with automatic brake hold
- Hill start assist
- MacPherson strut front suspension
- Multi-link rear suspension
- Front and rear stabilizer bars
- Dual-pinion variable-ratio electric power steering (EPS)
- 4-wheel disc brakes
- 18-inch matte-black alloy wheels
- P235/40 R18 all-season tires

SAFETY FEATURES

- Collision Mitigation Braking System™ (CMBS™)⁸ (Honda Sensing® feature)
- Forward Collision Warning (FCW)⁹ (Honda Sensing® feature)
- Road Departure Mitigation System (RDM)⁴ (Honda Sensing® feature)
- Lane Departure Warning (LDW)¹⁰ (Honda Sensing® feature)
- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA)⁵ with traction control
- Brake Assist
- ABS with Electronic Brake Distribution (EBD)
- Driver's and front passenger's front airbags (SRS)
- Driver's and front passenger's knee airbags (SRS)
- Driver's and front passenger's front side airbags
- Rear outboard passengers' side airbags
- Side curtain airbags with rollover sensor
- Seat-belt reminder for all seating positions
- Multi-angle rearview camera with dynamic guidelines⁷
- Tire Pressure Monitoring System (TPMS)⁶

- LED Daytime Running Lights (DRL)
- Lower Anchors and Tethers for CHildren (LATCH) (Lower anchors: 2nd-row outboard; Tether anchors: 2nd-row all)

FEATURES

- Adaptive Cruise Control¹² (Honda Sensing® feature)
- Lane Keeping Assist System (LKAS)¹¹ (Honda Sensing® feature)
- Traffic Sign Recognition System (TSR)⁵⁸ (Honda Sensing® feature)
- Blind spot information system (BSI) with cross traffic monitor¹⁴ (Honda Sensing® feature)
- Driver attention monitor (Honda Sensing® feature)
- 3-mode drive system (Normal/Sport/Individual)
- Rear seat reminder (RSR)
- Auto high-beam headlights
- LED headlights with auto-on/off
- LED brake, side marker and taillights
- Heated, gloss black power side mirrors
- Black window accents
- Gloss-black decklid spoiler
- Security system with remote entry and trunk release
- Direct ignition system with immobilizer

- Automatic climate control system
- Variable intermittent windshield wipers
- Rear window defroster with timer
- Power windows with auto-up/down driver's and front passenger's windows
- Tilt and telescopic steering column
- Body-colored door handles
- Leather-wrapped steering wheel
- Aluminum shift knob with leather
- Sport pedals
- Center console with storage compartment
- Exterior temperature indicator
- Map lights
- 60/40 split fold-down rear seatback
- Lightweight Si sport front seats with manual adjustment
- Rear seat center armrest
- Bluetooth®¹ HandsFreeLink®
- Bluetooth®¹ streaming audio
- Illuminated steering wheel-mounted controls
- 7-inch Driver Information Interface
- 9-inch color touch-screen with volume knob, customizable settings and smart shortcuts
- Wireless Apple CarPlay®¹⁶ compatibility
- Wireless Android Auto™¹⁷ compatibility
- SMS text message function³
- Active Sound Control (ASC)
- Bose⁷⁰ premium sound system with 12 speakers, including subwoofer
- SiriusXM®¹⁸
- HD Radio™¹⁹
- 2.5-amp USB-A Smartphone/Audio Interface²
- 2.5-amp USB-A charging port
- Speed-Sensitive Volume Compensation (SVC)
- 12-volt power outlet
- Push button start
- One-touch power moonroof with tilt feature
- Power door locks with auto-lock feature
- Passenger-side seatback pocket
- Illuminated vanity mirrors
- Smart Entry with Walk Away Auto Lock®
- Si badging
- Dual chrome exhaust finishers
- Capless fuel fillers

HONDA

1. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
3. Compatible with select phones with *Bluetooth*.® Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely.
4. Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.
14. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle compatibility is provided "as is," and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. To use Android Auto on your vehicle display, you'll need an Android phone running Android 6 or higher, an active data plan, and the Android Auto app. See dealer for details. Only use Android Auto when conditions allow you to do so safely. Android and Android Auto are trademarks of Google LLC.
18. SiriusXM requires a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. Available in the 48 contiguous United States and D.C.. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc.
19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
35. Models are LEV3-ULEV50-rated in all 50 states.
39. Does not apply to fluid and filter changes. Will vary with driving conditions. Please see your Honda dealer for details.
58. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.
70. Bose is a registered trademark of Bose Corporation.
