PASSPORT EX-L

ENGINEERING

- 3.5-liter, 24-valve SOHC i-VTEC® V-6 engine with direct injection
- 280 horsepower @ 6200 rpm (SAE net)
- 262 lb-ft of torque @ 4700 rpm (SAE net)
- Intelligent Variable Torque Management™ (i-VTM4®) all-wheel-drive system
- Variable Cylinder Management[™] (VCM[®])
- Active Control Engine Mount System (ACM)
- Active Noise Cancellation[™] (ANC)
- Eco Assist™ system
- Drive-by-Wire throttle system
- LEV3-ULEV125 CARB emissions rating³⁵
- Direct injection system with immobilizer
- 9-speed automatic transmission
- Shift-by-wire technology
- Idle-stop system
- Intelligent Traction Management
- Remote engine start
- Hill start assist
- MacPherson strut front suspension
- Multi-link rear suspension
- Front and rear stabilizer bars
- Electric power-assisted rackand-pinion steering (EPS)
- 20-inch pewter gray alloy wheels
- P265/45 R20 104H all-season tires

SAFETY FEATURES

- Collision Mitigation Braking System™ (CMBS™)⁸
- Forward Collision Warning (FCW)⁹
- Road Departure Mitigation System (RDM)⁴
- Lane Departure Warning (LDW)¹⁰
- Advanced Compatibility Engineering[™] (ACE[™]) body structure
- Vehicle Stability Assist[™] (VSA)⁵ with traction control
- Brake Assist
- LED Daytime Running Lights (DRL)
- Tire Pressure Monitoring System (TPMS)⁶ with Tire Fill Assist
- Advanced front airbags (i-SRS)
- SmartVent[®] front side airbags
- Side curtain airbags with rollover sensor
- 3-point seat belts at all seating positions
- Seat-belt reminder for all seating positions
- Lower Anchors and Tethers for CHildren (LATCH)

FEATURES

- Adaptive Cruise Control with Low-Speed Follow¹²
- Lane Keeping Assist System (LKAS)¹¹
- Auto high-beam headlights
 Blind spot information system (BSI)¹⁴
- Cross traffic monitors¹⁴
- Parking sensors (front and rear)
- Rear seat reminder (RSR)
- Leather-trimmed interior

- Heated front seats
- One-touch power moonroof with tilt feature
- Driver's seat with 10-way power adjustment, including power lumbar support
- Front passenger's seat with
- 4-way power adjustmentTwo-position memory for driver's seat and side mirrors
- Leather-wrapped steering wheel
- Automatic-dimming rearview mirror
- Power tailgate
- Smart Entry system with Walk Away Auto Lock[®]
- HomeLink^{®20} remote system
- Heated body-colored power side mirrors with integrated LED turn indicators, memory and reverse-gear tilt-down
- Acoustic windshield
- LED low-beam headlights with auto-on/off
- Variable intermittent windshield wipers
- Intermittent rear window wiper/washer
- Rear privacy glass
- Cargo area underfloor storage compartments
- Programmable remote entry
- Push button start
- Tri-zone automatic climate control system with humidity control and air filtration
- Power windows with autoup/down driver's and front passenger's window
- Power door and tailgate locks
- Cruise control
- Maintenance Minder™ system

- Multi-functional center console storage
 - Tilt and telescopic steering column

- Speed-Sensitive Volume Compensation (SVC)
 - MP3/auxiliary input jack
 - Illuminated steering wheelmounted cruise, audio and phone controls
 - Security system
 - Capless fuel filler
 - Exterior temperature indicator

- 1. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
- 2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
- 3. Compatible with select phones with Bluetooth.® Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely.
- 4. Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
- 6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
- 7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
- 8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 11. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 12. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.
- 14. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 16. Apple CarPlay is a registered trademark of Apple Inc.
- 17. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle compatibility is provided "as is," and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolesce of vehicle-integrated hardware or software. To use Android Auto on your vehicle display, you'll need an Android Auto are trademarks of Google LLC.
- 18. SiriusXM requires a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. Available in the 48 contiguous United States and D.C.. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc.
- 19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
- 20. HomeLink[®] is a registered trademark of Gentex Corporation.
- 23. Check the HondaLink® website for smartphone compatibility.
- 24. HondaLink Subscription Services come with complimentary trials of Security for one year and a Remote/Concierge trial for three months. Enrollment is required to access the Remote/Concierge trial and to access certain features of Security. At the end of each trial period, purchase of a subscription is required to continue the respective services.
- 30. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
- 34. The Honda Satellite-Linked Navigation System functions in the United States (not including territories, except Puerto Rico) and Canada. Honda RealTime Traffic requires applicable FM or cellular signal/reception. Please see your Honda dealer for details.
- 35. LEV3 ULEV-125 (Ultra-Low-Emission Vehicle) models as certified by the California Air Resources Board (CARB).
- 52. Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
