**The Verdict:** The Accord offers higher fuel-economy ratings and a more complete set of standard features for comfort and confidence on the road. The Accord gets the win!

<sup>1</sup>Based on 2024 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors. <sup>2</sup>ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>3</sup>TSR cannot detect all traffic signs and may misidentify certain signs and does not include any braking or speed control functions. Accuracy will vary based on weather and other factors. System operation affected by extreme interior head. Driver remains responsible for complying with all traffic regulations.
