**The Verdict:** With more available power along with a longer list of standard comfort, convenience and assistive features, the Honda Civic Hatchback comes out on top!

<sup>1</sup>Based on 2024 EPA mileage ratings for Civic and 2025 EPA mileage ratings for Corolla. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors. <sup>2</sup>Rear seat reminder functions when a rear door has been opened prior to driving and will alert the driver to check for the presence of rear seat occupants when the vehicle is turned off. If the vehicle is turned off partway through a drive and the vehicle restarted without a rear door being opened, no alert will be provided the next time the vehicle is turned off.
