**The Verdict:** The Accord provides more standard comfort, convenience and driver-assistive features to make for a more satisfying and confident experience. Accord dominates this matchup!

<sup>1</sup>Based on 2025 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors. <sup>2</sup>ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>3</sup>TSR cannot detect all traffic signs and may misidentify certain signs and does not include any braking or speed control functions. Accuracy will vary based on weather and other factors. System operation affected by extreme interior head. Driver remains responsible for complying with all traffic regulations.
