

CR-V e:FCEV

ENGINEERING

- Proton Exchange Membrane Fuel Cell (PEMFC)
- AC synchronous permanent-magnet electric motor
 - o 174 horsepower @ 4006-6750 rpm
 - o 229 lb-ft of torque @ 90-4006 rpm
- ZEV CARB emissions rating³⁵
- Lithium-ion high-voltage battery
- 4-mode drive system (ECON/Normal/Snow/Sport)
- Single-speed, direct-drive transmission with deceleration selectors
- Front-wheel drive
- Active Noise Cancellation™ (ANC)
- Electric parking brake with automatic brake hold
- Hill start assist
- Hill descent control
- MacPherson strut front suspension
- Multi-link double wishbone rear suspension
- Front and rear stabilizer bars
- Variable-ratio electric power-assisted rack-and-pinion steering (EPS)
- Amplitude reactive dampers
- Aluminum front and rear subframes
- 4-wheel disc brakes

- 18-inch gloss black alloy wheels
- P235/60 R18 all-season tires

SAFETY FEATURES

- Advanced Compatibility Engineering™ (ACE™) body structure
- Multi-angle rearview camera with dynamic guidelines⁷
- Driver's and front passenger's advanced front airbags (SRS)
- Driver's and front passenger's knee airbags
- Driver's and front passenger's front side airbags
- Rear outboard passengers' side airbags
- Side curtain airbags with rollover sensor
- Vehicle Stability Assist™ (VSA®) with traction control¹⁵
- Anti-lock braking system (ABS)
- Electronic Brake Distribution (EBD)
- Brake Assist
- Acoustic Vehicle Alerting System (AVAS)
- Collision Mitigation Braking System™ (CMBS™)⁸ (Honda Sensing® feature)
- Forward Collision Warning (FCW)⁹ (Honda Sensing® feature)
- Lane Departure Warning (LDW)¹⁰ (Honda Sensing® feature)

- Road Departure Mitigation System (RDM)¹⁴ (Honda Sensing® feature)
- Tire Pressure Monitoring System (TPMS)⁶
- LED Daytime Running Lights (DRL)
- 3-point seat belts at all seating positions
- Seat-belt reminder for all seating positions
- Lower Anchors and Tethers for CHildren (LATCH)

COMFORT AND CONVENIENCE

- Adaptive Cruise Control with Low-Speed Follow¹³ (Honda Sensing® feature)
- Lane Keeping Assist System (LKAS)¹¹ (Honda Sensing® feature)
- Traffic Jam Assist¹¹ (Honda Sensing® feature)
- Blind spot information system (BSI)¹⁴ with Cross Traffic Monitor⁴² (Honda Sensing® feature)
- Driver attention monitor (Honda Sensing® feature)
- Auto high-beam headlights (Honda Sensing® feature)
- Low-speed braking control²⁶ (Honda Sensing® feature)
- Front and rear parking sensors (Honda Sensing® feature)
- LED headlights with auto-on/off
- Rear Seat Reminder (RSR)
- Dual-zone automatic climate control system
- Multi-function center console storage with armrest

- Bluetooth®¹ HandsFreeLink®
- Bluetooth®¹ streaming audio
- 9-inch color touch-screen with customizable settings and smart shortcuts
- Bose²¹ premium sound system with 12 speakers, including subwoofer
- Honda Satellite-Linked Navigation System™³⁴ with voice recognition and Honda HD Digital Traffic
- HondaLink®²⁴ subscription services
- Wi-Fi® hotspot capability³⁰
- HondaLink®²⁰
- Wireless Apple CarPlay®¹⁶ compatibility
- Wireless Android Auto™¹⁷ compatibility
- 15-watt wireless phone charger¹⁵
- SiriusXM®¹⁸
- HD Radio™¹⁹
- 2.5-amp USB-A Smartphone/Audio Interface² (front console)
- 3.0-amp USB-C charging ports (front console: 1; 2nd-row: 2)
- Speed-Sensitive Volume Compensation (SVC)
- 10.2-inch digital instrument cluster
- Biosynthetic leather-trimmed seats
- Heated, biosynthetic leather-wrapped steering wheel
- Driver's seat with 10-way power adjustment, including 2-way power lumbar support

- Driver's seat with 2-position memory
- Reclining, fold-down 60/40 split rear seatback
- Illuminated steering wheel-mounted controls
- Illuminated driver's and front passenger's vanity mirrors
- Automatic-dimming rearview mirror
- Power door and tailgate locks
- Smart Entry with Walk Away Auto Lock®
- Gloss black, heated power side mirrors
- Rain-sensing windshield wipers
- Reverse-linked intermittent rear window wiper/washer with heated wiper zone
- Acoustic laminate-glass windshield and front-door windows
- Tilt and telescopic steering column
- Beverage holders (front & rear)
- 12-volt power outlet (front console and cargo area)
- LED map lights
- Rear-seat center armrest
- Rear-window defroster
- Rear-seat heater ducts
- Floor mats
- Hands-free access power tailgate with programmable height
- LED cargo area lights

HONDA

1. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
4. Road Departure Mitigation only alerts the driver when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position or to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed, and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. LKAS with TJA only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. The system may not detect all lane markings; accuracy will vary based on weather, speed, and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
13. ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.
14. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about all conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
15. Wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Android and Android Auto are trademarks of Google LLC.
18. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. If you decide to continue service, the plan you choose will automatically renew at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes calling 1-866-635-2349. Available in the 48 contiguous U.S. and D.C. Some services and features are subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
20. Check the HondaLink® website for smartphone compatibility.
21. Bose is a registered trademark of Bose Corporation.
24. HondaLink Subscription Services come with complimentary trials of Security for one year and a Remote/Concierge trial for three months. Enrollment is required to access the Remote/Concierge trial and to access certain features of Security. At the end of each trial period, purchase of a subscription is required to continue the respective services.³⁰ Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
26. Low-Speed Braking Control may not detect all objects in front of or behind the vehicle. Accuracy will vary based on weather, speed and other factors. Driver remains responsible for safely operating vehicle and avoiding collisions
30. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
34. The Honda Satellite-Linked Navigation System functions in the United States (not including territories, except Puerto Rico) and Canada. Honda HD Digital Traffic service is only available in the United States, except Alaska. Please see your Honda dealer for details.
35. Gasoline AWD trims are California Air Resources Board (CARB) LEV3-ULEV50-rated in all 50 states. Gasoline 2WD and hybrid trims are CARB LEV3-SULEV30-rated in all 50 states.
70. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions..
