

## CIVIC TYPE R

### ENGINEERING

- 2.0-liter, turbocharged and intercooled DOHC 4-cylinder VTEC® engine with direct injection
  - 315 horsepower @ 6500 rpm (SAE net)
  - 310 lb-ft of torque @ 2600-4000 rpm (SAE net)
- LEV3-ULEV50 CARB emissions ratings<sup>35</sup>
- Drive-by-Wire throttle system
- 100+/- Miles No Scheduled Tune-Ups<sup>39</sup>
- 6-speed manual transmission (6MT) with rev-match control
- Helical limited-slip differential
- Lightweight single-mass flywheel
- Electric parking brake with automatic brake hold
- Hill start assist
- 4-mode drive system (Comfort/Sport/Individual/+R)
- Water-cooled oil cooler
- Adaptive damper system
- Dual-axis MacPherson strut front suspension
- Multi-link rear suspension
- Dual-pinion, variable-ratio electric power steering (EPS)

- Brembo® 4-piston aluminum front brake calipers<sup>32</sup>
- 13.8-inch ventilated 2-piece front brake discs
- 19-inch matte-black alloy wheels
- P265/30 ZR19 Michelin<sup>72</sup> Pilot Sport 4S tires<sup>33</sup>
- Tire Repair Kit (TRK) with 24-hour assistance

### SAFETY FEATURES

- Collision Mitigation Braking System™ (CMBS™)<sup>8</sup> (Honda Sensing® feature)
- Forward Collision Warning System (FCW)<sup>9</sup> (Honda Sensing® feature)
- Road Departure Mitigation System (RDM)<sup>4</sup> (Honda Sensing® feature)
- Lane Departure Warning System (LDW)<sup>10</sup> (Honda Sensing® feature)
- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®)<sup>5</sup> with traction control
- Brake Assist
- ABS with Electronic Brake Distribution (EBD)
- Driver's and front passenger's advanced front airbags (i-SRS)
- Driver's and front passenger's knee airbags (SRS)

- Driver's and front passenger's front side airbags
- Rear outboard passengers' side airbags
- Side curtain airbags with rollover sensor
- Multi-angle rearview camera with guidelines<sup>7</sup>
- Tire Pressure Monitoring System (TPMS)<sup>6</sup>
- LED Daytime Running Lights (DRL)
- Seat-belt reminder for all seating positions
- Lower Anchors and Tethers for Children (LATCH)

### FEATURES

- Adaptive Cruise Control<sup>13</sup> (ACC) (Honda Sensing® feature)
- Lane Keeping Assist System (LKAS)<sup>11</sup> (Honda Sensing® feature)
- Auto high-beam headlights (Honda Sensing® feature)
- Traffic sign recognition system (TSR)<sup>12</sup> (Honda Sensing® feature)
- Driver attention monitor (Honda Sensing® feature)
- Blind spot information system (BSI)<sup>14</sup> with Cross Traffic Monitor<sup>42</sup> (Honda Sensing® feature)
- Rear seat reminder (RSR)<sup>67</sup>
- Red Honda "H" badges (front/rear)
- Type R badges (front/rear)
- Aluminum hood
- Gloss black fin-type roof-mounted antenna
- Gloss black wing spoiler
- Gloss black side sills
- Center-mounted, triple-outlet exhaust with active exhaust valve
- Heated, gloss black power side mirrors with integrated LED turn indicators
- LED headlights with auto-on/off (low and high beam)
- LED brake and taillights
- Push button start
- Smart Entry with Walk Away Auto Lock®
- 10.2-inch digital instrument cluster
- Dual-zone automatic climate control
- Exclusively designed, high-bolstered sport seats with red/black suede-effect cloth and double red stitching
- Sport pedals
- Aluminum shift knob
- Type R serial-number plate
- 9-inch color touch-screen with volume knob, customizable feature settings and smart shortcuts
- Honda LogR® datalogging app<sup>73</sup>
- HondaLink®<sup>23</sup>

- Wireless Apple CarPlay®<sup>16</sup> compatibility
- Wireless Android Auto™<sup>17</sup> compatibility
- Wireless phone charger<sup>52</sup>
- 2.5-amp USB-A Smartphone/Audio Interface<sup>2</sup>
- 2.5-amp USB-A charging port
- Bose<sup>21</sup> premium sound system with 12 speakers, including subwoofer
- SiriusXM®<sup>18</sup>
- HD Radio™<sup>19</sup>
- Honda Satellite-Linked Navigation System™<sup>34</sup> with voice recognition and Honda RealTime Traffic
- Wi-Fi® hotspot capability<sup>30</sup>
- Red ambient LED lighting
- Red illuminated front door panels
- Leather-wrapped steering wheel
- Red floor mats
- Sequential rev-limit indicator

**HONDA**

2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
4. Road Departure Mitigation only alerts the driver when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position or to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.
13. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.
14. The system is not a substitute for your own visual assessment before changing lanes. The system may not detect all objects behind or to the side of a vehicle and may not detect a given object; system accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Android and Android Auto are trademarks of Google LLC.
18. SiriusXM requires a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). Fees and programming subject to change. Available in the 48 contiguous United States and D.C.. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc.
19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
21. Bose is a registered trademark of Bose Corporation.
23. Check the HondaLink® website for smartphone compatibility.
30. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
32. Brembo is a registered trademark of Brembo S.p.A. Brembo's product names are either trademarks or registered trademarks of Brembo.
33. High-performance summer tires are not designed for winter driving and will wear faster than normal passenger car tires. Please see your Honda dealer for details.
34. The Honda Satellite-Linked Navigation System functions in the United States (not including territories, except Puerto Rico) and Canada. Honda RealTime Traffic requires applicable FM or cellular signal/reception. Please see your Honda dealer for details.
35. Models are LEV3-ULEV50-rated in all 50 states.
39. Does not apply to fluid and filter changes. Will vary with driving conditions. Please see your Honda dealer for details.
42. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
52. Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
67. Rear seat reminder functions when a rear door has been opened prior to driving and will alert the driver to check for the presence of rear seat occupants when the vehicle is turned off. If the vehicle is turned off partway through a drive and the vehicle restarted without a rear door being opened, no alert will be provided the next time the vehicle is turned off.
72. Michelin,® Pilot® and Exalto® are registered trademarks of Michelin North America, Inc.
73. The LogR application should only be used on a closed course or racetrack. Not intended for use on public roads. Driver remains responsible for the safe operation of the vehicle.
