

PROLOGUE EX

ENGINEERING

- Single-motor front-wheel-drive system
 - 220 horsepower (SAE net)
 - 243 lb-ft of torque (SAE net)
- Available dual-motor all-wheel-drive system
 - 300 horsepower (SAE net)
 - 355 lb-ft of torque (SAE net)
- Lithium-ion pouch cell battery with 85 kWh capacity
- ZEV CARB emissions rating¹
- Regenerative-braking paddle
- One-pedal driving
- Remote start
- Multi-link front suspension
- Multi-link rear suspension
- Front and rear stabilizer bars
- Belt drive assist electric power steering (EPS)
- Ventilated front disc/solid rear disc brakes
- Hill start assist
- 19-inch alloy wheels
- P255/60 R19 109H all-season tires
- Tire repair kit

SAFETY & DRIVER-ASSISTIVE FEATURES

- Automatic emergency braking² (Honda Sensing® feature)

- Forward collision alert² (Honda Sensing® feature)
- Front pedestrian braking² (Honda Sensing® feature)
- Lane keep assist³ (Honda Sensing® feature)
- Adaptive Cruise Control (ACC)⁴ (Honda Sensing® feature)
- Side blind zone alert⁵ (Honda Sensing® feature)
- Lane change alert⁵ (Honda Sensing® feature)
- Rear cross traffic alert (Honda Sensing® feature)
- Rear cross traffic braking (Honda Sensing® feature)
- Blind zone steering assist⁸ (Honda Sensing® feature)
- Traffic sign recognition⁹ (Honda Sensing® feature) (OnStar data package)
- Reverse automatic braking (Honda Sensing® feature)
- Rear park assist (Honda Sensing® feature)
- Auto high-beam headlights (Honda Sensing® feature)
- LED Daytime Running Lights (DRL)
- Electronic stability control¹⁰
- Anti-lock Braking System (ABS)

- Tire Pressure Monitoring System (TPMS)¹¹ with tire fill alert
- Front airbags
- Driver's and front-passenger's knee airbags (SRS)
- Front side airbags
- Side curtain airbags
- 3-point seat belts at all seating positions
- Lower Anchors and Tethers for Children (LATCH): Lower anchors (2nd-row outboard), tether anchors (2nd-row all)
- Seat-belt reminder for all seating positions
- Rear Seat Reminder (RSR)
- Child-proof rear door locks

FEATURES

- 11-inch digital instrument cluster
- 11.3-inch color touchscreen
- Google built-in¹²
- HondaLink® connected by OnStar²¹
- Wi-Fi® hotspot capability¹³
- Wireless Apple CarPlay®¹⁴ compatibility
- Wireless Android Auto™¹⁷ compatibility
- Wireless phone charger¹⁵
- USB-C Smartphone/Audio Interface (front console)
- USB-C charging ports (front console: 1, 2nd-row: 2)

- 12-volt power outlets (front console and cargo area)
- Audio system with 6 speakers
- Bluetooth®¹⁷ streaming audio
- SiriusXM®¹⁸ Radio
- Digital owner's manual
- Exterior temperature indicator
- Heated front seats
- Driver's seat with 8-way power adjustment, including power lumbar support
- Universal remote system
- Push button start
- Dual-zone automatic climate control system
- Electric parking brake with automatic brake hold
- Power windows with auto-up/down front windows and auto-down rear windows
- Power door and tailgate locks
- Multi-functional center console storage
- Tilt and telescopic steering column
- 60/40 split rear seats
- Beverage holders
- Carpeted floor mats
- LED headlights with auto-on/off
- LED tail and brake lights
- Body-colored roofline spoiler with integrated brake light

- Heated, gloss black power side mirrors with integrated LED turn indicators
- Body-colored door handles
- Security system
- Rain-sensing variable intermittent windshield wipers
- Rear privacy glass

PROLOGUE TOURING

Adds to or replaces EX:

- Bose premium sound system with 12 speakers, including subwoofer
- Power panoramic moonroof
- Leather-trimmed seats
- Leather-wrapped steering wheel
- Driver's seat with 8-way power adjustment, including power lumbar support and 2-position memory
- Front passenger's seat with 6-way power adjustment
- LED instrument panel illumination
- Automatic-dimming rearview mirror
- Front and rear park assist (Honda Sensing® feature)
- Hands-free access power tailgate
- Welcome light (rear bumper kick sensor)
- Gloss black roof rails
- LED fog lights

PROLOGUE ELITE

Adds to or replaces Touring:

- Dual-motor all-wheel-drive system
 - 300 horsepower (SAE net)
 - 355 lb-ft of torque (SAE net)
- Dynamic drive modes (Normal, Sport)
- 21-inch alloy wheels
- P275/45 R21 107H all-season tires
- Self-sealing tires
- Heated, power-folding, auto-dimming gloss black power side mirrors with integrated LED turn indicators
- Welcome lights (sideview mirrors and rear bumper kick sensor)
- 7-inch Head-Up Display (HUD)
- Surround vision system (Honda Sensing® feature)
- Key card
- Heated leather-wrapped steering wheel
- Rear pedestrian alert (Honda Sensing® feature)
- Ventilated front seats
- LED lighting (footwells, beverage holders and door pockets)
- 110-volt power outlet (2nd row)

HONDA

1. ZEV (Zero-Emission Vehicle) model as certified by the California Air Resources Board (CARB).
2. System cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
3. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. The system may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collision.
4. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. The system is not a substitute for your own visual assessment before changing lanes, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
6. System is not a substitute for your own visual assessment before backing up, and may not detect all objects, or provide complete information about conditions, behind the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
7. System may not detect all objects behind the vehicle. Accuracy will vary based on weather, speed, and other factors. Driver remains responsible for safely operating vehicle and avoiding collisions.
8. System only alerts drivers when lane drift is detected and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. System may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.
10. ESC is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the drivers.
11. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
12. Google, Google Play, Google Maps, and other related marks and logos are trademarks of Google LLC. Android and Android Auto are trademarks of Google LLC.
13. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
14. Apple CarPlay is a registered trademark of Apple Inc.
15. Wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
16. Compatible with select phones with *Bluetooth*.® Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely.
17. The *Bluetooth*.® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
18. SiriusXM requires a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. Available in the 48 contiguous United States and D.C.. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc.
19. System is not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
20. Check the HondaLink® website for smartphone compatibility.
