

How to Use Car Wash Mode

Use this procedure to ensure that the vehicle stays in Neutral as it goes through an automatic car wash.

- 1 Drive to the entrance of the car wash
- 2 Apply the brake pedal
- 3 Open the door
- 4 Shift to N (Neutral)
- 5 Turn off the vehicle and release the brake pedal
- 6 Exit the vehicle and close the door; the vehicle is now ready for the car wash
- 7 The vehicle may automatically shift to Park upon re-entry
