¹Based on 2026 EPA mileage ratings for CR-V and 2025 ratings for RAV4. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors. ²Rear seat reminder functions when a rear door has been opened prior to driving and will alert the driver to check for the presence of rear seat occupants when the vehicle is turned off. If the vehicle is turned off partway through a drive and is restarted without a rear door being opened, no alert will be provided the next time the vehicle is turned off.
