**The Verdict:** The Civic Hatchback combines power and higher fuel-economy ratings for value-packed fun, and adds more standard features as well. The win goes to the Honda!

<sup>1</sup>Total system horsepower (ISO net) as measured by the peak, concurrent output of the two electric motors and gasoline engine. <sup>2</sup>Based on 2026 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery-pack age/condition (hybrid trims) and other factors. <sup>3</sup>ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.
