

# 2026 Honda Civic Sedan vs 2025 Toyota Corolla Sedan (Hybrid trims)

Key Comparisons	2026 Honda Civic Hybrid	2025 Toyota Corolla Hybrid
Total System Horsepower	200 hp <sup>1</sup>	138 hp
EPA Fuel-Economy Ratings <sup>2</sup> (city/hwy/comb)	50/47/49 (Sport Hybrid, Sport Touring Hybrid)	50/43/47 (FWD SE) 53/46/50 (FWD LE, EXL)
Wheels	18" alloys on Sport Touring	16" alloys on XLE
Automatic Climate Control	Dual-zone on all trims	Single-zone on all trims
Adaptive Cruise Control (ACC) <sup>3</sup> w/Low Speed Follow	Standard on all trims	Standard on all trims
Genuine Leather-Trimmed Seats	Standard on Sport Touring	Not Available on any trim
Rear Seat Reminder (RSR) <sup>4</sup>	Standard on all trims	Not Available on any trim
Passenger Volume	99.0 cu ft	88.6 cu ft

**The Verdict:** Significantly more power, a longer list of standard comfort and convenience features plus a much roomier cabin make the Honda Civic a clear winner in this showdown!

<sup>1</sup>Total system horsepower (ISO net) as measured by the peak, concurrent output of the two electric motors and gasoline engine. <sup>2</sup>Based on 2026 EPA mileage ratings for Civic and 2025 ratings for Corolla. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery-pack age/condition and other factors. <sup>3</sup>ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision. <sup>4</sup>Rear seat reminder functions when a rear door has been opened prior to driving and will alert the driver to check for the presence of rear seat occupants when the vehicle is turned off. If the vehicle is turned off partway through a drive and the vehicle restarted without a rear door being opened, no alert will be provided the next time the vehicle is turned off.
