Features By Trim

2027 CR-V

CR-V LX

ENGINEERING

- 1.5-liter, turbocharged and intercooled DOHC VTEC® 4-cylinder engine with direct injection
  - o 190 horsepower @ 6000 rpm (SAE net)
  - o 179 lb-ft of torque @ 1700-5000 rpm (SAE net)
- Continuously variable transmission (CVT)
- Idle-stop
- Available Real Time AWD with Intelligent Control System™
- 3-mode drive system (ECON/ Normal/Snow)
- Drive-by-Wire throttle system
- Active Noise Cancellation™ (ANC)
- Eco Assist™ System
- Electric parking brake with automatic brake hold
- Hill start assist
- Hill descent control
- LEV4-SULEV30 CARB emissions rating[35]
- MacPherson strut front suspension
- Multi-link double wishbone rear suspension
- Front and rear stabilizer bars
- Variable-ratio electric power-assisted rack-and-pinion steering (EPS)
- Active shutter grille
- 4-wheel disc brakes
- 17-inch steel wheels with covers
- P235/65 R17 all-season tires

SAFETY AND DRIVER-ASSISTIVE

- Advanced Compatibility Engineering™ (ACE™) body structure
- Multi-angle rearview camera with dynamic guidelines[7]
- Driver's and front passenger's advanced front airbags (SRS)
- Driver's and front passenger's knee airbags
- Driver's and front passenger's front side airbags
- Rear outboard passengers' side airbags
- Side curtain airbags with rollover sensor
- Vehicle Stability Assist™ (VSA®) with traction control[5]
- Anti-lock braking system (ABS)
- Electronic Brake Distribution (EBD)
- Brake Assist
- Collision Mitigation Braking System™ (CMBS™)[8] (Honda Sensing® feature)
- Forward Collision Warning (FCW)[9] (Honda Sensing® feature)
- Lane Departure Warning (LDW)[10] (Honda Sensing® feature)
- Road Departure Mitigation System (RDM)[4] (Honda Sensing® feature)
- Adaptive Cruise Control with Low-Speed Follow[13] (Honda Sensing® feature)
- Lane Keeping Assist System (LKAS)[11] (Honda Sensing® feature)
- Traffic Sign Recognition System (TSR) [15] (Honda Sensing® Feature)
- Traffic Jam Assist[11] (Honda Sensing® feature)
- Auto high-beam headlights (Honda Sensing® feature)
- Driver attention monitor (Honda Sensing® feature)
- Tire Pressure Monitoring System (TPMS)[6]
- LED Daytime Running Lights (DRL)
- 3-point seat belts at all seating positions
- Seat-belt reminder for all seating positions
- Rear Seat Reminder (RSR)
- Lower Anchors and Tethers for CHildren (LATCH)

COMFORT AND CONVENIENCE

- LED headlights with auto-on/off
- Automatic climate control system
- Multi-function center console storage with armrest
- Bluetooth®[1] HandsFreeLink®
- 9-inch color touch-screen
- 160-watt audio system with 4 speakers
- HondaLink®[20]
- Wireless Apple CarPlay®[17] compatibility
- Wireless Android Auto™[18] compatibility
- Bluetooth®[1] streaming audio
- 3.0-amp USB-C Smartphone/ Audio Interface[2] (front console)
- 3.0-amp USB-C charging port (front console)
- 15-watt wireless phone charger[16]
- Speed-Sensitive Volume Compensation (SVC)
- 7-inch digital instrument cluster
- Driver's seat with manual height adjustment
- Reclining, fold-down 60/40-split rear seatback
- Push button start
- Illuminated steering wheel-mounted controls
- Power door and liftgate locks
- Remote entry system
- Body-colored power side mirrors with integrated LED turn indicators
- Variable intermittent windshield wipers
- Reverse-linked intermittent rear window wiper/washer with heated wiper zone
- Tilt and telescopic steering column
- Beverage holders (front & rear)
- 12-volt power outlet (front console and cargo area)
- LED map lights
- Rear-seat center armrest
- Push-open fuel door with capless fuel filler
- Rear-window defroster
- Rear-seat heater ducts
- Floor mats
- LED cargo area lights

CR-V EX

Adds to or upgrades LX features:

- Remote engine start with climate control
- 18-inch silver-painted alloy wheels
- P235/60 R18 all-season tires
- Blind spot information system (BSI)[14] with Cross Traffic Monitor[14] (Honda Sensing® feature)
- One-touch power mooroof with tilt feature
- Dual-zone automatic climate control system
- Smart Entry with Walk Away Auto Lock®
- 240-watt audio system with 6 speakers
- 3.0-amp USB-C charging ports (front console: 1; 2nd-row: 2)
- Driver's seat with 10-way power adjustment, including 2-way power lumbar support
- Heated front seats
- Body-colored, heated power side mirrors with integrated LED turn indicators
- Illuminated driver's and front passenger's vanity mirrors

CR-V SPORT HYBRID

Adds to or upgrades EX features:

- Latest-generation 2-motor
- 2.0-liter, 16-valve DOHC 4-cylinder engine with multi-stage high-pressure direct injection
- AC synchronous permanent-magnet electric motor
- Lithium-ion high-voltage battery pack
- 2-motor hybrid system with B-range shift
- Deceleration selectors
- 4-mode drive system (ECON/Normal/Snow/Sport)
- LEV4-SULEV20 CARB emissions ratings[35]
- Wi-Fi® hotspot capability[30]
- 18-inch gloss black alloy wheels
- Dual chrome exhaust finishers
- Gloss black roof rails
- Gloss black, heated power side mirrors with integrated LED turn indicators
- Leather-wrapped steering wheel and shift knob with orange stitching
- Acoustic Vehicle Alerting System (AVAS)

CR-V EX-L

Adds to or upgrades EX features:

- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Leather-trimmed seats
- Driver's seat with 2-position memory
- 4-way power front passenger seat
- 10.2-inch digital instrument cluster
- 320-watt audio system with 8 speakers
- Front & rear parking sensors (Honda Sensing® feature)
- Power liftgate with programmable height
- Low-speed braking control (Honda Sensing® feature)

CR-V TRAILSPORT HYBRID

Adds to or upgrades Sport Hybrid features:

- Real Time AWD with Intelligent Control System™
- 18-inch Shark Gray alloy wheels
- P235/60 R18 all-terrain tires
- Cloth seats with orange stitching and TrailSport front-seat logos
- Heated leather-wrapped steering wheel with orange stitching
- 320-watt audio system with 8 speakers
- 10.2-inch digital instrument cluster
- All-weather floor mats
- Power liftgate with programmable height

CR-V SPORT-L HYBRID

Adds to or upgrades EX-L features:

- Latest-generation 2-motor hybrid powertrain
- 2.0-liter, 16-valve DOHC 4-cylinder engine with multi-stage high-pressure direct injection
- AC synchronous permanent-magnet electric motor Lithium-ion high-voltage battery pack
- 2-motor hybrid system with B-range shift
- Deceleration selectors
- 4-mode drive system (ECON/ Normal/Snow/Sport)
- LEV4-SULEV20 CARB emissions rating[35]
- Wi-Fi® hotspot capability[30]
- 18-inch gloss black alloy wheels
- Dual chrome exhaust finishers
- Gloss black roof rails
- Gloss black, heated power side mirrors with integrated LED turn indicators
- Leather-trimmed seats with orange stitching
- Leather-wrapped steering wheel and shift knob with orange stitching
- Acoustic Vehicle Alerting System (AVAS)

CR-V SPORT TOURING HYBRID

Adds to or upgrades Sport-L Hybrid features:

- Real Time AWD with Intelligent Control System™
- 5-mode drive system (ECON/ Normal/Snow/Sport/Individual)
- Google built-in[74]
- HD Radio™[19]
- HondaLink®[24] Connected Services
- Predictive ECO Assist™ System
- Bose[70] premium sound system with 12 speakers, including subwoofer
- Heated steering wheel
- Rain-sensing windshield wipers
- Hands-free access power liftgate with programmable height
- 19-inch gloss black alloy wheels
- P235/55 R19 all-season tires

HONDA

1. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.

2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.

4. Road Departure Mitigation only alerts the driver when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position or to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed, and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.

7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.

8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.

9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.

10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

11. LKAS with TJA only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. The system may not detect all lane markings; accuracy will vary based on weather, speed, and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

13. ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.

14. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.

15. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about all conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.

16. Wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.

17. Apple CarPlay is a registered trademark of Apple Inc.

18. Android and Android Auto are trademarks of Google LLC.

19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.

20. Check the HondaLink® website for smartphone compatibility.

24. HondaLink Connected Services includes a free advanced connectivity trial. Enrollment is required. At the end of the trial period, a subscription must be purchased to continue using the services.

30. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance®. Requires AT&T data plan.

35. Non-hybrid trims are California Air Resources Board (CARB) LEV4-SULEV30-rated in all 50 states. Hybrid trims are CARB LEV4-SULEV20-rated in all 50 states.

70. Bose is a registered trademark of Bose Corporation.

74. Google, Google Play, Google Maps and other related marks and logos are trademarks of Google LLC.
