

PRELUDE

ENGINEERING

- Latest-generation 2-motor hybrid powertrain
- 2.0-liter, 16-valve DOHC 4-cylinder engine with dual Variable Timing Control (VTC)
- AC synchronous permanent-magnet electric motor
- 200 total system horsepower (ISO net)
- Lithium-ion high-voltage battery pack
- Direct ignition system with immobilizer
- 4-mode drive system (Comfort/GT/Sport/Individual)
- S+ Shift metal paddle shifters
- Honda S+ Shift
- LEV4-SULEV30 CARB emissions rating¹
- Remote engine start
- Electric parking brake with automatic brake hold
- Hill start assist
- Dual-axis MacPherson strut front suspension
- Multi-link rear suspension
- Adaptive damper system
- Front and rear stabilizer bars
- Variable-ratio electric power-assisted rack-and-pinion steering (EPS)
- 4-wheel disc brakes with Brembo^{®2} 4-piston aluminum front calipers
- 19-inch gloss black alloy wheels
- P235/40 R19 all-season tires

SAFETY FEATURES

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA^{®3}) with traction control
- Brake Assist
- Driver's and front passenger's front airbags (SRS)
- Driver's and front passenger's knee airbags (SRS)
- Driver's and front passenger's front side airbags
- Rear outboard passengers' side airbags
- Side curtain airbags with rollover sensor
- Seat-belt reminder for all seating positions
- Multi-angle rearview camera with dynamic guidelines⁴
- Tire Pressure Monitoring System (TPMS)⁵
- LED Daytime Running Lights (DRL)
- Lower Anchors and Tethers for Children (LATCH)
- Acoustic Vehicle Alerting System (AVAS)

HONDA SENSING[®] DRIVER-ASSISTIVE FEATURES

- Collision Mitigation Braking System™ (CMBS™)⁶
- Forward Collision Warning (FCW)⁷
- Road Departure Mitigation System (RDM)⁸
- Lane Departure Warning (LDW)⁹

- Adaptive Cruise Control (ACC) with Low-Speed Follow¹⁰
- Lane Keeping Assist System (LKAS)¹¹
- Traffic jam assist¹¹
- Traffic Sign Recognition System (TSR)¹²
- Auto high-beam headlights
- Blind spot information system (BSI) with Cross Traffic Monitor¹³
- Driver attention monitor
- Low-Speed Braking Control¹⁴
- Parking sensors (4 front and 4 rear)

FEATURES

- LED headlights with auto-on/off
- LED brake, side marker, and taillights
- Flush-mount, body-colored door handles
- Heated, body-colored power side mirrors with integrated LED turn indicators
- Smart Entry with Walk Away Auto Lock[®]
- Security system with remote entry and trunk release
- Dual-zone automatic climate control system
- Perforated leather-trimmed seats
- Heated front seats
- Rain-sensing variable intermittent windshield wipers
- Rear window defroster with timer

- Power windows with auto-up/down driver's and front passenger's windows
- Tilt and telescopic steering column
- Leather-wrapped flat-bottom steering wheel
- Sport pedals
- Center console with armrest and storage compartment
- LED map lights
- 60/40 split fold-down rear seatback
- Bluetooth^{®15} HandsFreeLink[®]
- Bluetooth^{®15} streaming audio
- 10.2-inch digital instrument cluster
- 9-inch color touch-screen with volume knob and customizable settings
- Wireless Apple CarPlay^{®16} compatibility
- Wireless Android Auto™¹⁷ compatibility
- Wireless phone charger¹⁸
- Wi-Fi[®] hotspot capability¹⁹
- HondaLink^{®20} Connected Services
- Google built-in²¹
- Alexa Built-in²²
- SMS text message function
- Active Sound Control (ASC)
- Bose²³ premium sound system with 8 speakers, including subwoofer
- HD Radio™²⁴
- 3.0-amp USB-C Smartphone/Audio Interface²⁵
- 3.0-amp USB-C charging port

- Speed-Sensitive Volume Compensation (SVC)
- 12-volt power outlet
- Illuminated steering wheel-mounted controls
- Push button start
- Power door locks with auto-lock feature
- Automatic-dimming rearview mirror
- Illuminated vanity mirrors
- Available two-tone exterior with gloss black roof and side mirrors (Winter Frost Pearl only)

HONDA

1. LEV4-SULEV30 (Super-Ultra-Low-Emission Vehicle) for hybrid trims as certified by the California Air Resources Board (CARB).
2. 46 city/41 highway/44 combined mpg rating. Based on 2026 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery-pack age/condition and other factors.
3. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
4. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
5. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
6. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
7. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
8. Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. LKAS with TJA only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. The system may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.
13. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
14. Low-Speed Braking Control may not detect all objects in front of or behind the vehicle. Accuracy will vary based on weather, speed and other factors. Driver remains responsible for safely operating vehicle and avoiding collisions.
15. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Android and Android Auto are trademarks of Google LLC.
18. Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
19. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
20. HondaLink Connected Services includes a free advanced connectivity trial. Enrollment is required. At the end of the trial period, a subscription must be purchased to continue using the services.
21. Google, Google Play, Google Maps and other related marks and logos are trademarks of Google LLC.
22. Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates.
23. Bose is a registered trademark of Bose Corporation.
24. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
25. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
